

## Annual Report (2014-15)

### Shri. R. R. Lahoti Science College, Morshi

#### HISTORY

SHRI SHIVAJI EDUCATION SOCIETY, AMRAVATI is the foundation society that manages this college. Dr. Panjabrao Alais Deshmukh established this society in 1932.

The society is running more than 290 institutions that include colleges and secondary schools all over Vidarbha.

The society added feather in its cap by starting Engineering college at Akola, Medical college at Amravati, Girls Polytechnic college, College of Biotechnology and college of Horticulture at Amravati. In year 2000 Shri Shivaji Education Society received Best Education Society Award from Govt. of India. The society also received Dr. AMBEDKAR Dalit Mitra Award and Sant Gadge Baba Memorial Prize.

#### ABOUT THE COLLEGE

The Maharashtra Government granted permission to the society to start Science College at Morshi, Distt. Amravati from the session 1971-72. It is a unique Non-profit educational institution and a centre of excellence based for high quality education. The height of the institute is not physical but the intellectual height attended.

We understand that unlike industries with lifeless products, education deals with dynamic and often unpredictable human material. The college is making continuous efforts in providing higher education to the students from socially and economically weaker sections of nearby villager's child. The college endeavors to provide academic, cultural and other support to the students in particular and society in general. Academic peers, parents, guardians, alumni's have appreciated the invaluable service rendered by the college. The college primarily aims at inculcation of moral, ethical and social values. The college provides excellent infrastructure, teaching learning facilities in different subjects and sports through well-established laboratories, library and sports facilities. College organizes excursion and personality development programmes for the all round development of students. It has distinguished and committed faculties, well-equipped classrooms, office atomization, library with over 7448 volumes and journals, library purchased e-journal and e-books through N-list programme. A well-established placement and career development division to facilitate and assist students in proper placement. Its alumni hold senior position in Govt./Private sectors.

College is one of the prestigious and premier institutes of Morshi city, affiliated to Sant Gadge Baba Amravati University, Amravati. College is accredited by NAAC in 2012 at B level with CGPA 2.50. College is running under-graduate courses in Pure Sciences as well as UGC sponsored P.G. Course Pharmaceutical Chemistry.

Trained man powers, excellent faculties with honest dedication towards all round development of its students, no stone left, kept unturned for noble concept that the '**Lahotians**' should excel & imprint in every walk of life,

10 Sept - 10  
frontiers of life with (their) constructive, sensible, responsible role and contribution

The college started with Department of Botany, Chemistry, Mathematics, Physics, Zoology and Physical Education.
